SERVICE AREAS

Here's what people are saying about us

"Our experience with The Walsh and Volk Team from beginning to end was **exceptional**, they are a **dynamic** team -1#."

-Laurie & James

"The Walsh and Volk Team have an **incredible marketing program**. I felt as if I was taking part in a television production with my home as the star. GET SOLD STAGING, took me through each room and pointed out what could be done so my house would "show" at it's best. Lou brought their truck over and helped me get rid of junk from the garage. **Now, that is service!** Curtis arrived to photograph the house for the virtual tour that showed so well on the internet site! The For Sale sign had a phone number for a 24 hour recording of the homes' features selling points. Imagine my **pleasant surprise** when I learned that not one but six people had put in offers to purchase my home."

-P. Wilcox

"Your **professionalism, knowledge and experience** were evident from our first meeting. Most important to me was your **understanding and integrity**. You always **promptly** returned my phone calls and your dedication made me feel that I was your most important client. Due to your efforts, **MY HOME SOLD VERY QUICKLY.**"
